Dear Participants,

On behalf of the Biochemistry and Molecular Section of the Science Society of Thailand under the Patronage of His Majesty the King in association with the Department of Biochemistry, Faculty of Science, Chulalongkorn University, I wish to extend to you an official invitation to participate in the **7<sup>th</sup> International Conference on Biochemistry and Molecular Biology (BMB 2021)** on July 6 and 7, 2021 which will be conducted as a fully virtual event and cover a variety of interesting topics. The conference this year comes with the theme “Challenges in Biochemistry to Overcome Pandemics and Disruptions” which aims to create an opportunity for scientists to share and exchange their experience with other scientists in order to promote creative discussion and collaborative environment in the current pandemic and disruptive situations.

Please visit the BMB 2021 website to register and view the current scientific program at:
